Vitality

Optimism

Equity

Eko Trust is a Multi-Academy Trust formed in 2016. The Trust has schools in East London, Suffolk and Brighton; 8 primary schools and 2 SEMH schools. You can read more about our schools on our website: [Eko Trust](#).

Our Trust is a family of good and outstanding schools who collaborate to learn to deliver the best educational outcomes for our children.

## OUR COMMITMENT

We are passionate about nurturing, growing and developing people, so that the children and families we serve have the best opportunities to thrive.

The Trust has an absolute commitment to working together and utilising the collective brain that we have within Eko Trust. All our schools, as well as organisations outside of Eko, work together to accomplish things that would not be possible alone, while maintaining the distinctive character of each school.

- **Equity for all** - our people, our children and young people, our families and our staff, you are all part of our vibrant school communities.
- **Every child** will be supported to receive the best education to enable them to access equal life chances.

# OUR VALUES

*drive everything we do*

*Vitality* means we feel healthy, capable and energetic. We have a sense that our actions have meaning and purpose

*Optimism* means we focus on positive outcomes to a greater extent than negative ones. We know optimism is important in coping with difficult life events. We think that optimists are generally happier with their lives than pessimists. We trust that in the end everything will be alright, even if the outcome is different to what we first imagined.

*Integrity* means we live by sound principles and are motivated to behave ethically. This ensures Eko Trust will carry out our charitable objective to advance education for the public benefit.

*Courage* means we have the mental or moral strength and resilience to venture, persevere, and withstand danger, fear or difficulty whilst going about our work. We will take risks in areas that will improve the education we provide - learning, improving and changing.

*Equity* means we know that everyone is different and needs different things to be able to achieve. Fairness trumps equality. We will do whatever it takes to break down barriers, close gaps, and get everyone to a high-level end point.

# EMPLOYEE BENEFITS

In addition to a rewarding career, we offer an excellent and comprehensive range of benefits for staff to enjoy. These include:

## *Continuous Professional Development and Learning Opportunities*

We place great emphasis on continuing professional development (CPD) and ensuring that our staff can be the best we can be to support our children and the communities they come from.

We are committed to ensuring our staff are equipped with the skills and knowledge, not just for their job now, but with a view to future development and progression.

All staff have at least 3 appraisal meetings with their manager per year. There are a range of informal and formal professional development opportunities for teaching and support staff. Staff also have the opportunity to work in our other schools or shadow staff from our family of schools.

## *Collaborative & Supportive Culture*

We celebrate that we are all part of a big team with a common aim to provide excellent learning for the children at our schools. We have a highly collaborative culture and want to see all staff succeed and be happy.

Working in an Eko Trust school means that you are always supported, whether you are a support member of staff, an ECT, QT or Head. There is always a wealth of knowledge and a network of people on the same journey as you, working to the same goals with a range of different skill sets, that you can access whenever you need to.

Being part of our Eko Trust family of schools means you are never on your own. Our staff work in teams across schools in areas such as safeguarding, assessment and teaching to conduct case reviews, and always support each other in looking at alternative ways of delivery. This means we work together to share the workload.

## *Employee Assistance Programme & Occupational Health Service*

Our employee assistance programme offers access to a free, confidential employee assistance helpline, providing guidance and advice on personal and work-related matters, staffed by trained counsellors. Our Occupational health service is a confidential service for all our staff, offering advice on personal health, safety and welfare at work.

## *National Terms and Conditions and Access to Pension Schemes*

Pay awards are applied in line with national agreements, and we offer incremental pay progression. We offer access to the Teachers' Pension Scheme and the Local Government Pension Scheme.

## *Workload & Wellbeing*

Staff well-being is instrumental to our success, and that's why we provide non-contractual benefits such as the Schools Advisory Service (SAS). They offer well-being and medical support, including annual nurse visits to the school, fast-tracked GP appointments and medical operations to help staff get well soon. They also provide independent counselling to our staff and their families. Our Wellbeing Policy focuses on changes to workplace practices and culture to support the well-being of our staff and to make our Trust an excellent place to work.

Eko Trust is proud to be part of the cycle-to-work scheme, encouraging people to make healthier and more environmentally-friendly lifestyle choices. The scheme allows you to buy the equipment you need to travel to school. You can save up to 42% on your equipment, whether you are in need of a bike to get you to and from the office, or you also need to pick up things like lights, a lock, a helmet and other kit for cycling throughout the year.

## *Family-Friendly Policies*

The Trust offers flexible working to encourage staff to have a better work-life balance, including part-time hours, term-time-only working and job shares, and we offer generous policies and great entitlements in respect of Maternity, Paternity and Adoption..

## *Money Saving Deals & Vouchers*

Our Employee Benefits Platform allows all staff to access a range of products and services at reduced rates as well as discounts from a huge range of retailers.

## *Trade Union Recognition*

We work closely with Trade Unions that represent our Teaching and Support Staff. We meet termly with employee representatives to proactively and positively manage employee relations.

# GUIDANCE FOR APPLICANTS ON OUR RECRUITMENT PROCESS

Once you have found the role you want to apply for, you need to make sure your application gives you the best possible chance of getting an interview. The following guidance will help you in the application process.

## Completing your Application

- Complete all parts of the application form
- Use clear, plain English. Do not use all block capitals or all lowercase
- Check your spelling and grammar. Read what you have written back to yourself; does it make sense?
- Tailor your application form to the job you are applying for by carefully reading the job description and matching your skills and experience to the criteria in the person specification (found at the end of the job description)
- The 'supporting information' section is your opportunity to really sell yourself. You can include information here that is not already covered elsewhere in the application form such as your skills, knowledge or experience relevant to the post, a brief explanation of any gaps in your employment
- Always back up what you are saying with tangible and relevant examples of your experience, achievements and any resulting key learning. So rather than just writing 'I am a good team player', give examples of teams you have been part of, your role within those teams and an explanation of what you achieved through working collectively.
- Don't forget to complete the equal opportunities monitoring form and send this with your application to the email address stated.

## The Recruitment Journey

**Apply Now:** Submit your application through our system on MyNewTerm before the advertised closing date for the role. In some circumstances we may close a role early once we have a number of good candidates.

**Shortlisting:** We carefully review all applications against the person specification for the role to find the best fit for our teams. We will let you know if you have been shortlisted. If you have not been shortlisted we will let you know asap and will give you details about how to get feedback.

**Selection:** If you have been shortlisted we will give you full details of what to expect during our selection process. This will include what format the selection will take, where it will be, who will be involved, what you need to bring and anything specific you might need to prepare. Examples of commonly used selection methods are; in-class assessments, interviews, presentations, tasks

Before the selection date, we will apply for references for you, if you have given us permission to do so before interview, and we will conduct an online check.

On the selection day you will be able to ask questions of the interview panel and they will let you know when they expect to inform you of the outcome of the selection.

Following the selection, our panel will consider carefully all the information from your application and the selection process. They will use this information to make their decision about who to offer the role to and will let you know by phone or by email. We'll give you time to review the offer and ask any questions.

If you are sadly not selected we will let you know how to get feedback from us.

## The Decision

**Job Offer:** If you're selected for the role and accept it, we'll send a conditional offer letter, outlining the position, salary, and benefits and let you know what the next steps are. This will include how you provide us with details to do a DBS check etc.

**Pre-employment checks:** we will then undertake all of our pre-employment checks and will keep you informed of progress. These can sometimes take some time and we recommend that you don't resign until we have confirmed our offer to you in an unconditional offer letter. Once you have this letter we will confirm a start date with you and will start planning your induction and orientation.

**Welcome Aboard:** We will give you information ahead of your first day to ensure that you know what to expect.

Please do ask any questions at all throughout this process. You can contact the person who is administering the recruitment process, whose details will be on any communication to you on My New Term.
